

COVID CHANGES AT

LAPWORTH SURGERY

From **30th November 2020**, the surgery waiting room will reopen

To be **COVID-safe** three people at a time will be welcome to wait inside for their appointment

Please wear a mask if able and put space between yourself and others

The improvements have been made thanks to donations from the **Patient Participation Group (PPG)** Lapworth Charity & Jane Ryland Trust

If you're medically self-isolating and need help with **prescription collections**, please enquire with the surgery about assistance available
